COUNTY OF TARRANT

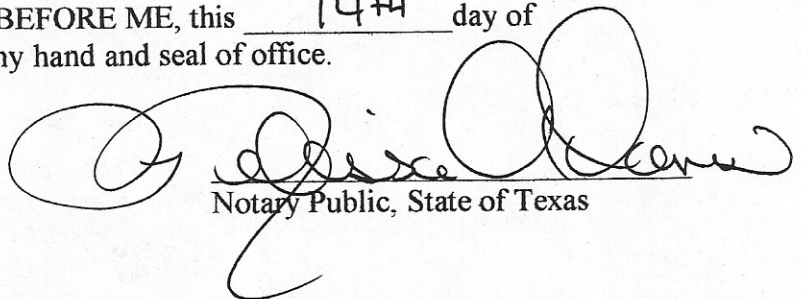

BEFORE ME, the undersigned Notary Public, on this 14th day of OCT., 20 03, personally appeared OFFICER JASON CHILDS, WITH THE TARRANT COUNTY SHERRIF'S DEPARTMENT, who being sworn by me on his oath, deposed and said the following:

I was constantly calling on BARTON GAINES for behavioral problems, such as sliding down the stair rails, hanging by his arms from his cell door and swinging, ECT. Once I had to confine him to his cell for a few hours because he and another inmate, FREDDY GOESSLER almost began fighting. As I recall, GAINES was popping GOESSLER with a towel. GOESSLER did not want to play with GAINES, but GAINES would not leave him alone. Once I wrote a disciplinary on GAINES, and that was because CPL. NEWBERRY ordered me to do so. The disciplinary was thrown out, because I did not actually witness the infraction. When he would finish taking a shower, he would walk to his cell wearing his towel like a diaper, which seemed somewhat unusual to me. I had never witnessed other inmates act in this manner. GAINES was confined numerous times for going into other inmate's cells. Some inmate's use would take diaper advertisements and coupons out of their Sunday papers and give them to GAINES as a joke.
