20. State clearly every ground on which you claim that you are being held unlawfully. Summarize briefly the facts supporting each ground. If necessary, you may attach pages stating additional grounds and facts supporting them.

- CAUTION:
 CAU
 - Subsequent Petitions: If you fail to set forth all grounds in this petition, you may be barred from presenting additional grounds at a later date.

Following is a list of the most frequently raised grounds for relief in habeas corpus proceedings. Each statement is a separate ground for possible relief. You may raise any grounds, even if not listed below, if you have exhausted your state court remedies. However, you should raise in this petition all available grounds (relating to this conviction) on which you base your belief that you are being held unlawfully.

DO NOT JUST CHECK ONE OR MORE OF THE LISTED GROUNDS. Instead, you must also STATE the SUPPORTING FACTS for ANY ground you rely upon as the basis for your petition.

- (A) Conviction obtained by a plea of guilty which was unlawfully induced, or not made voluntarily, or made without an understanding of the nature of the charge and the consequences of the plea.
- (B) Conviction obtained by the use of a coerced confession.
- (C) Conviction obtained by the use of evidence gained from an unconstitutional search and seizure.
- (D) Conviction obtained by the use of evidence obtained from an unlawful arrest.
- (E) Conviction obtained by a violation of the privilege against self-incrimination.
- (F) Conviction obtained by the prosecution's failure to tell the defendant about evidence favorable to the defendant.
- (G) Conviction obtained by the action of a grand or petit jury which was unconstitutionally selected and impaneled.
- (H) Conviction obtained by a violation of the protection against double jeopardy.
- (I) Denial of effective assistance of counsel.
- (J) Denial of the right to appeal.
- (K) Violation of my right to due process in a disciplinary action taken by prison officials.

A. GROUND ONE: Petitioner was denied the effective assistance of counsel

Supporting FACTS (tell your story briefly without citing cases or law):

Petitioner's trial counsel conducted little discovery in preparing Petitioner's case. Trial counsel did not interview any State or defense witnesses. Trial counsel spent a total of 10 minutes with Petitioner during the course of representation. Trial counsel wholly failed to prepare Petitioner's expert witness. Although trial counsel knew about Petitioner's low I.Q. and learning disabilities, and that counsel had to obtain permission from Petitioner's mother to make decisions for Petitioner, without consulting any other person, trial counsel had Petitioner plead guilty to two counts of aggravated robbery. When the judge admonished Petitioner, trial counsel told Petitioner to look at co-counsel and say "yes" when co-counsel nodded "yes" and say "no" when co-counsel nodded "no."

B. GROUND TWO: The conviction was obtained by a plea of guilty that was not made voluntarily.

Supporting FACTS (tell your story briefly without citing cases or law):

Trial counsel spent a total of 10 minutes with Petitioner during the course of representation. Although trial counsel knew about Petitioner's low I.Q. and learning disabilities, and that counsel had to obtain permission from Petitioner's mother to make decisions for Petitioner, without consulting any other person, trial counsel had Petitioner plead guilty to two counts of aggravated robbery. When the judge admonished Petitioner, trial counsel told Petitioner to look at co-counsel and say "yes" when co-counsel nodded "yes" and say "no" when co-counsel nodded "no." Petitioner's plea was not made voluntarily, and Petitioner did not understand the nature of the charge and the consequences of the plea.

C. GROUND THREE: The District Attorney intimidated at least two witnesses from speaking to the defense. Supporting FACTS (tell your story briefly without citing cases or law): Petitioner's trial counsel sent a private investigator to speak with one of the alleged victims, Andrew Horvath. Horvath's mother was told by an investigator from the Tarrant County District Attorney's office that they were not to speak to any defense investigators or lawyers. Another witness, Tara Green, was also told by an investigator from the Tarrant County District Attorney's office that she was not to speak to any defense investigators or lawyers. D. GROUND FOUR: Supporting FACTS (tell your story briefly without citing cases or law): 21. Have you previously filed a federal habeas petition attacking the same conviction, parole revocation, or disciplinary proceeding that you are attacking in this petition? X Yes If your answer is "yes," give the date on which each petition was filed, the federal court in which it was filed, and whether the petition was (a) dismissed without prejudice or (b) denied. Petition for writ of habeas corpus pursuant to 28 U.S.C. 2254 filed on May 4, 2006. Dismissed without prejudice so that Petitioner may exhaust his claims in State Court. 22. Are any of the grounds listed in paragraph 20 above presented for the first time in this petition? Yes X No If your answer is "yes," state briefly what grounds are presented for the first time and give your reasons for not presenting them to any other court, either state or federal.
